■ Notes

• Transferable math will be chosen in the future towards major's preparation, transfer admissions to count as mathcredit as accepted by the 4-year school to count for NCAA transferable-math for NCAA Division I or II 4-year schools, as applicable, and will also count for the IVC Liberal Studies major as an additional discipline toward the required 18 units with "C" or better from 3 different disciplines. RGroff 6/26/13

Units: 18.00

Plan your Course Schedule

This page allows you to create an estimated timeline for the courses you have selected in your plan. [More]...

Step 1

Select a Target Completion Date: Select

Step 2

Ilmminum ad C

To plan a course, first select a semester in which to plan courses then click on a course to place them in the given semester. To unplan a course, simply click the course and it is placed back in the unplanned courses pool awaiting reassignment.
